none Read more This article contains all the most important and necessary documents that you will need in the event of an accident. Today in Ukraine, not all drivers know what documents are required when registering an accident. In the article we will tell you how to fill out the European protocol in case of an accident, as well as what documents you need to require from drivers when registering an accident. Important! If at least one of the participants in the accident refuses to sign the act, then he must write his objections in a separate form
